

I would like to protest the decision by Sinclair broadcasting to show "Stolen Honor" at this time. It is a violation of election laws. It also shows that large media conglomerates have too much power and are a form of media conglomeration. This is an example of large companies promoting their agenda over the good of the electorate. They have too much power and should not be favoring one party over another on the free airwaves. I feel that Sinclair's license should be removed at KGAN in Cedar Rapids Iowa. We need substantive news about issues that matter. Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. It shows that the license renewal process needs to involve more than a returned postcard. Thank you. Ken Burnside
